Divisions of five teams will play a Round-Robin format within their Division. Divisions of four teams will play a Round-Robin within their Division with one Cross-Over game. This will help to facilitate the "Head to Head" tie-breaker Rule.
- A minimum of eight teams from each Conference will advance to the Playoff Rounds.
- There will be **NO** re-ranking after the 1st Round of the playoffs.
- However, the Tournament Committee **reserves the right to change Quarter-Final Opponents** to ensure that no teams play a Wild Card or an opponent from their round robin games.

**FORMULA:**

**\*\*\*Wild Cards, Standings, & Rankings will be determined on the basis of:**

- highest points earned(wins & ties combined)** during Preliminary Play,
- if still tied on the basis of **"Head to Head"** during Preliminary Play,
- if still tied **most wins** during Preliminary Play,
- if still tied, on the basis of **highest percentage** (add the goals for & against together, and divide into the goals for), during Preliminary Play,
- if still tied **least goals against**, during Preliminary Play, **\*\*\*When applying this formula the maximum goal differential in any game shall be no greater than 10.**
- if still tied, **most goals for**, during Preliminary Play,

1. All teams must dress a minimum of 12 skaters, including 2 goalies (unless injury).

3. If still tied, add the goals for and against together and divide into the goals for, the team with the highest percentage placing higher. **\*\*\* When applying this formula the maximum goal differential in any game shall be no greater than 10.**

4. If still tied... least goals against  
If still tied... most goals for

If still tied, an additional sudden-victory period will resume with three players on the ice per team until one team scores. \*\*\* **A penalty incurred during the "3 on 3" will result in the non-offending adding an additional player to the ice until the expiration of the penalty and the first stoppage of play..**
